

Showermate Standard Twin Pumps

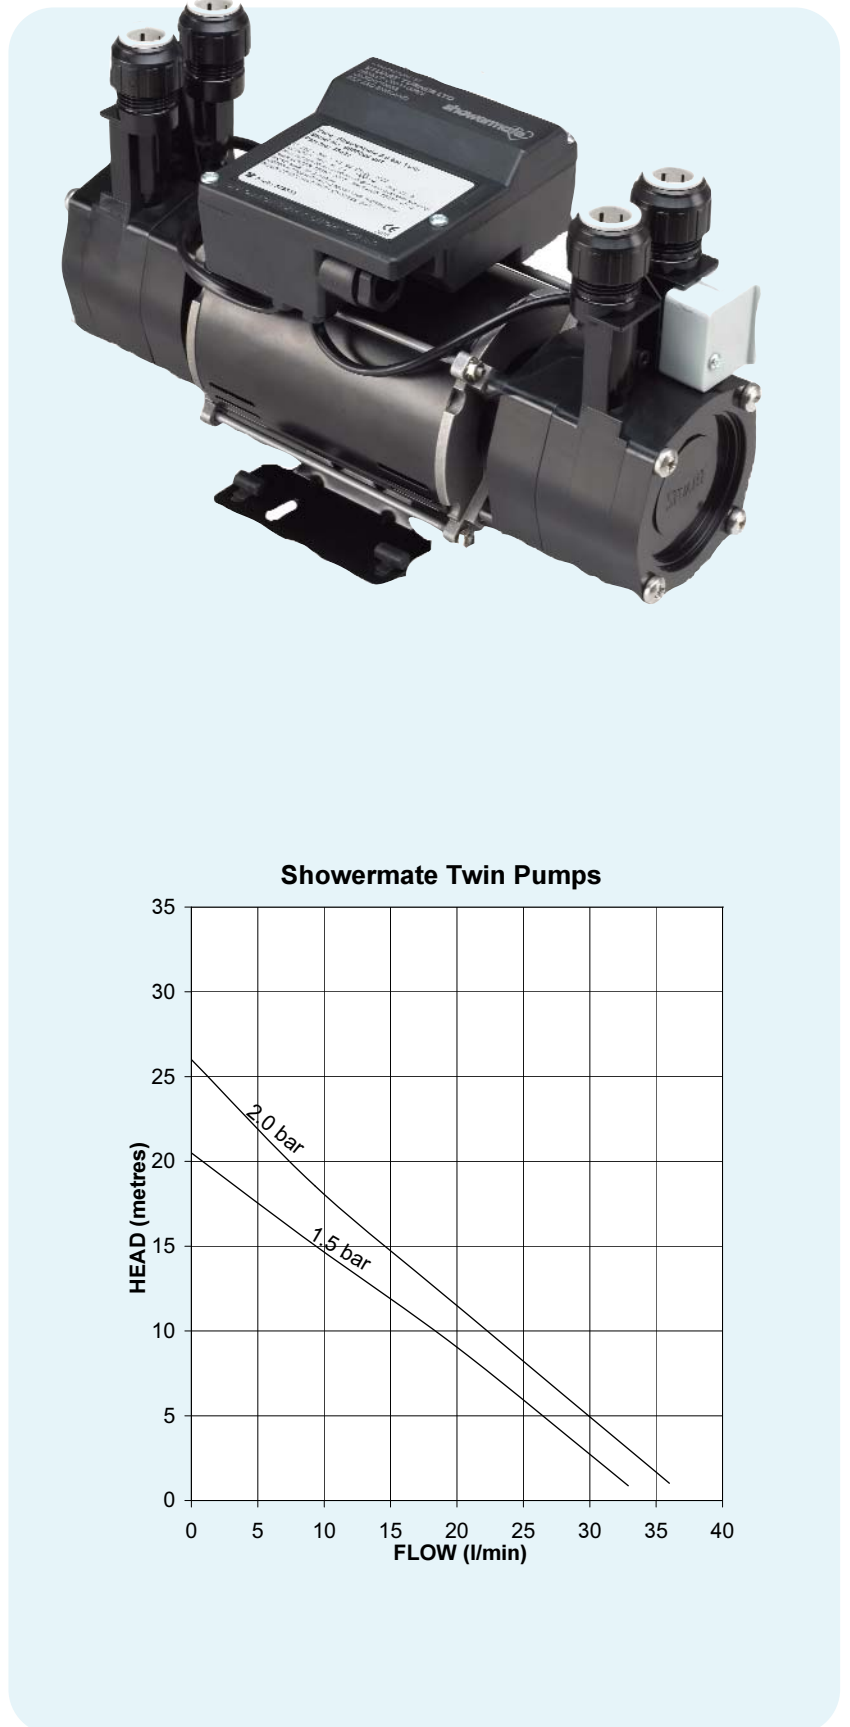

There's nothing more irritating than a tap or a shower that's no more than a trickle. Thankfully, the new Showermate from Stuart Turner means it's a problem you need never worry about again. Not only will Showermate give your water pressure a much needed boost.

They can be used for:

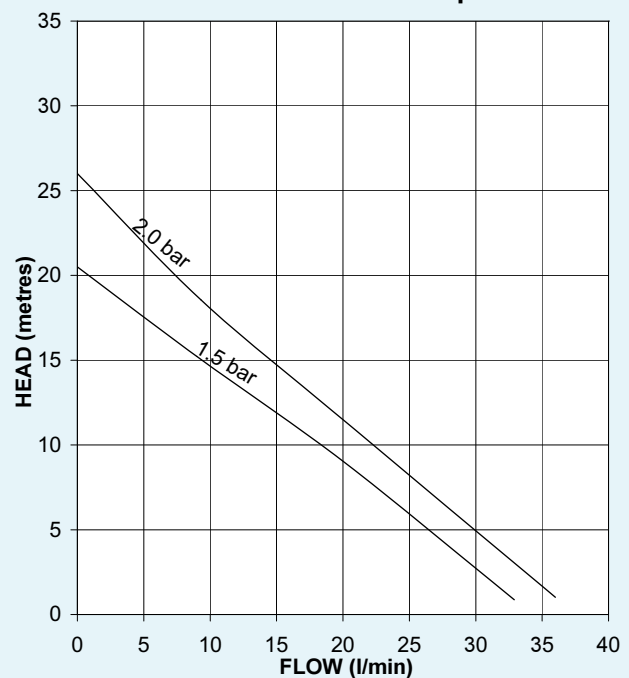

- Bath/basin mixer tap.
- Fixed plate or single function shower.
- Multi-function shower.
- 2 x multi-function showers.
- Multi-function shower with two body jets.

Designed to suit any tank fed, open vented system, the new Showermate offers the ultimate solution to poor performance. The new Pumps:

- Are fully automatic.
- Are supplied complete with 15 mm flexible hoses.
- Offer more power and efficiency than ever before.
- Supplied pre-wired with 1.5 metre cable and anti-vibration feet.
- Reassurance of up to a 2-year guarantee (subject to conditions)
